Connected Learning Conference '18 *Proceedings of*

Addictions 8 *Journal of Behavioral*

38 *Behavior & Information Technology*

Cybersecurity Conference

Proceedings of the NYIT 8th Annual

The Journal of Computing Sciences in Colleges

SELECTED FACULTY AND STUDENT PRESENTATIONS

**SCHOOL OF LIBERAL ARTS
SELECTED FACULTY PUBLICATIONS**

*Across the Disciplines: A Journal of
Language, Learning, and Academic Writing*

Foreign Language Annals

Atlantic
Studies: Global Currents

*David Jones's "The Grail Mass" and Other
Works*

Arkansas Review

Dogwood: A Journal of Poetry and Prose

SCHOOL OF MANAGEMENT
SELECTED FACULTY PUBLICATIONS

Global political economy: A multi-paradigmatic approach

SELECTED FACULTY PRESENTATIONS

homelessness services

Latin America city innovations in

culture of tolerance

Creating a

robotic process automation (RPA) in auditing: A framework

Applying

arbitration.

An alternative approach to mandatory

Municipal e-governance and online branding.

Preparing students for accelerating technological disruptions.

*Comparing global human trafficking
structures based on UNODC vs. IOM/Polaris data*

Immigration in the Hudson Valley: Workforce challenges and opportunities.

SCHOOL OF PROFESSIONAL PROGRAMS

Developmental Biology 441,

441,

Typhlang1 theal BlohMoesor

SELECTED FACULTY AND STUDENT PRESENTATIONS

*Recovery of diverse flora after control of
Japanese knotweed monoculture.*

What's Up, Doc? Pharmaceuticals in the Hudson River!

*Biofilm formation patterns of equine wound
bacteria.*

*Preferential transport of high salinity groundwater via
geologic faults that connect highway (N)vig Kea6 72 (6 72/TT22/TT22/T,)-10 io2S9 (on, D)8nIahke(uds*

). Incorporation of inquiry-based laboratory experiences in an introductory biology series: challenges, successes and future plans.

Reconstruction of a pathological Pes Planovalgus deformity in a female high school athlete.

Localization of the amino acid transporter PQLC2 in mouse melanocytes.

Regression of pigmentation of cavefish.

Vibration attraction behavior expression in prevalent among caves, but variable within caves.

Recuperation of vision in a blind cavefish population.

Chromatin Remodeling Mediates Repair of DNA Damage in C. elegans Germ Cells.

Keeping the spotlight on child abuse and neglect: Updates and strategies for practitioners.

Collaborative retesting as a teaching and learning tool.

Dual task performance and prioritization in Parkinson's disease: A pilot/feasibility study using a novel assessment with increasing complexity (n=4).

Development of portable GCMS methods for in-situ monitoring of the malting process and early detection of barley contamination.

Distal triceps brachii rupture and comorbid ulnar collateral ligament sprain in a collegiate male basketball athlete.

*Developing and evaluating headspace solid phase
microextraction gas chromatography mass spectrometry methods for in-situ detection of
volatile organic compounds during barley malting.*

*Mixed enzyme systems for
biomass delignification.*

e R NY.MipS~~B~~DC -1.15 Td[e 6.442-12 (e)4 -1.Rnassar8ch (t)-2 (orT-5 (sC

Quinoxaline-based donor-acceptor dyes: Synthesis, photophysical, and electrochemical properties.

Distal triceps brachii rupture and comorbid ulnar collateral ligament sprain in a collegiate male basketball athlete.

A comparison of spinal motion in a football athlete during three different patient transfer techniques.

Volatile organic compound detection as a method to evaluated barley quality using headspace solid phase microextraction gas chromatography mass spectrometry.

Creating a new educational tool for instructing orthopedic manual therapy with nano sensor fabric technology.

Idiopathic gastroparesis in a female collegiate swimmer.

Regulation of DNA Repair Pathways to Ensure Gamete Quality.

Groundwater inflow as a control on Blanding's Turtle populations in mitigated wetlands.

Fill your hands - emergency preparedness for the sport setting.

A comparison of spinal motion in a football athlete during three different patient transfer techniques.

*Proceedings of the XXXVIII and XXXIX International Symposium of
the International Association for Social Work with Groups*

Journal of School Counseling 16

The Family Journal

27

Asian Journal of Criminology 14

New York School Psychologist 37

*There has to be a better way: Lessons from former urban
teachers*

recruitment and retention

Opportunities and challenges in teacher

Developmental and Physical Disabilities.

Journal of

Psychologist 36

New York School

SELECTED FACULTY AND STUDENT

*The relationship between identity
clarity and social media habits in young adults.*

Creating inclusive communities: Developing faculty capacity to address social justice and inclusion issues in the classroom.

The cross-cultural generalizability of General Strain Theory: Evidence from college students in the United States and Japan.

Mindful awareness, stress, and life satisfaction in school psychologists.

Teaching at a cost: The gendered and cultural identity negotiations of teaching.

Wilderness-based therapy with at-risk-youth

Supporting sight word recognition of elementary
(O N o .) - 4 - 1 . 1 . p e < < /

*Innovating in disability cultural competence pedagogy:
Implications from licensed professional counselors.*

*The interaction of rater ethnicity, target ethnicity,
and target facial expression in predicting trait ratings*

*Resilient writing: A verbal
aggression intervention to promote student resiliency.*
