Veterans Benefits Required Documentation Prior to Certification – Payment of Tuition

All students except Chapter 31 (Vocational Rehabilitation) and Chapter 33 (Post-9/11 GI Bill) must be prepared to pay their own tuition and fees. All students regardless of benefit are responsible of any balance not covered by the Veteran Benefit.

Chapter 31 students must have a valid VA Form 28-1905 (Authorization and Certification) from the Department of Veterans Affairs on file with the Marist Certifying Official at least five (5) business days prior to the start of H D F K term.

Chapter 33 students must submit to the Marist Certifying Official their Certificate of Eligibility (COE) before receiving a deferment of their tuition charges. Enrolled students without COE's are responsible for their tuition payment.

Veterans should not depend on the first VA check arriving in time to pay for tuition, fees, and books, if applicable. After the Certifying Official has submitted the enrollment certification to the VA Regional Office in Buffalo, NY, allow 8-10 weeks for processing

Declaring a major

All veterans receiving VA benefits are required to declare a major. Enrollment in courses does not guarantee eligibility for benefits.

- x Veterans are allowed to take only courses required for the major, related field, Core or approved electives, and prerequisite courses. Courses used as substitutes for required courses must be approved (on a Waiver/Substitution Form) by the appropriate dean or chair.
